

# Isolation Flowchart for Students/Families

## WHAT TO DO IF YOU HAVE COVID-19 Regardless of Symptoms or Vaccination Status

- **Stay home** for the next **five days**, regardless of symptoms or vaccination status.

- Stay away from other people as much as possible (including people in your own household)

- If you can't stay away from other people, wear a mask

After five days, do you still have a fever or other symptoms that haven't started to get better?

**NO**

**YES**

- Return to school/activities
- Wear a mask everywhere you go and social distance to the extent possible for next five days

- Stay home until your fever is gone and other symptoms are better

- Wear a mask around others to minimize exposure

Day of Positive Test for COVID-19

Return to School. Wear Mask 5 Days.

If you have symptoms of COVID-19 and are waiting for your test results, stay home until you get your test results.

If you test positive or have questions about when to return to school, contact the school office, 952-852-0129 or info@jgesa.org
